About Pianes And Organs.

How to Make Home Attractive

Has been the study of mankind since the trouble in

Adam's bousebold, and it is now universally conceded

that Music is the most potent factor in the accomplish

nent of this result. Now a Piano or an Organ is a ne-

cessity if you want a Musical home, and I have been

studying and working for years to get myself into a position to supply the homes of North and South Carolina

to give my patrons the benific. Such a line as I can of-

UPRIGHT PIANOS, 200 TO 650

tir up the small dealers, and when you hear the "YELP"

about the one that yelps—he has certainly been hit. You will probably buy but one Piano or Organ in a life time

Bulletins are posted in the markets giving particulars of the acres. Also one other tract of land, lying next sale, and these are closely studied in advance by prospective buy-

> The slave market at Fez is one of he most important in the kingdom of Morocco. It is situated in the centre of the city, being nothing the postmaster-genera, after statmore than a large open square surrounded by a kind of areade, in which the buyers and spectators sit. On one side of the open square is a magnificent mosque, a fine type of a pound. In recent years the post-Moorish architecture, and many of office department has been characthe people who come to the sale first | terized by a very progressive spirit, visit the mosque and send up a prayer to Allah.

The slave sales invariably take place in the evening for the concealing in the dim light any imper fections which the unfortunates may possess. During the sale the slaves are kept together in one of the recesses of the arcade. They are always surrounded by a group of men - prospective buyers - who look them over as a woman inspects household furniture at an auction

The average age of the slave girls s about 14 years, but the raiders do not scruple to steal children who would almost be considered babies in other countries. The dealers, who in most cases, are prosperous, fine looking men, watch over their victims carefully until they are sold, feeding them generously and By virtue of an Execution directed to trying to make them contented so that they will present an agreeable

Postage Was Very High.

which infest the Soudan, and of hundred miles in twenty-four hours these 90 per cent. are young girls, or about four and a half miles an hours between Philadelphia and The latter, from all accounts, are New York. The roads were bad for one hundred miles, ten cents, and so increasing with the increased distance to the maximum, twenty-five cents for distances over four hundred and fifty miles. Stamps were not in use in those days, nor was the sender of a letter required to pay the postage in advance. The postage, six or tweaty-five cents, as the case might be, was written by the sender paid the postage the word 'paid' was added; if he did not the postage was collected of the person to whom the letter was address he law gave to Congressmen and the heads of departments. * * The demand of the newspapers and the periodicals of every class for cheap postage, seconded by their subscribers, has led to a reduction of rates greatly below the actual cost to the government. In his report for 1892 ing that the present letter rate pays twice the cost of the letter mail, says that the book and newspaper mail is carried at a loss of six cents and it is now rendering, not a pers fect service, but a high-class service. No other department has more nearly kept pace with the marvel-

Mother's Influence.

ous developement of our country.'

Who can overestimate it? For good or evil it is far-reaching. Her name, the first that falls from the ips of the prattling babe, is often the last whisper of the dying sage God bless our mothers! How important then that they be shielded from those weakening diseases which too often wreck their constitutions and render them wearied, fretfl invalids, prematurely aged and ambitionless. Dr. Pierce's Favorite Prescription has done much to emancipate woman from this thraldom and may be taken by the most delicate with absolute certainty of benefit. For nursing mothers and appearance when placed before the all debilitated, or "runsdown" wos men, it is the most effective restora tive tonic to build them up. To those about to become mothers it is The slaves are led out seperately a priceless boon. It lessens the by the dealer, who cries out their pains and perils of childbirth, shortmany advantages in Arabic. far worse enemy of the government

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and

being twisted up in knots. I was unable to dress myself, except with assistance, and could only hobble about by using a cane. I had no appetite, and was assured, by the doctors, that I could not live. The pains, at times, were so awful, that I could procure relief only by means of hypodermic injections of morphine. Thad my limbs bandaged in clay, in sulphur, in poultices; but these gave only temporary relief. After trying everything, and suffering the most awful tortures, I began to take Ayer's Sarsaparilla. Inside of two months, I was able to walk without a cane. In three months, my limbs
